## Publications List 2008

### AIHW Dental Statistics and Research Series

AIHW Dental Statistics and Research Unit (2008). The National Survey of Adult Oral Health 2004–06: Australian Capital Territory. Cat. no. DEN 175. Dental Statistics and Research Series no. 39. Canberra: Australian Institute of Health and Welfare.

AIHW Dental Statistics and Research Unit (2008). The National Survey of Adult Oral Health 2004–06: New South Wales. Cat. no. DEN 176. Dental Statistics and Research Series no. 40. Canberra: Australian Institute of Health and Welfare.

AIHW Dental Statistics and Research Unit (2008). The National Survey of Adult Oral Health 2004–06: Northern Territory. Cat. no. DEN 177. Dental Statistics and Research Series no. 41. Canberra: Australian Institute of Health and Welfare.

AIHW Dental Statistics and Research Unit (2008). The National Survey of Adult Oral Health 2004–06: Queensland. Cat. no. DEN 178. Dental Statistics and Research Series no. 42. Canberra: Australian Institute of Health and Welfare.

AIHW Dental Statistics and Research Unit (2008). The National Survey of Adult Oral Health 2004–06: South Australia. Cat. no. DEN 179. Dental Statistics and Research Series no. 43. Canberra: Australian Institute of Health and Welfare.

AIHW Dental Statistics and Research Unit (2008). The National Survey of Adult Oral Health 2004–06: Tasmania. Cat. no. DEN 180. Dental Statistics and Research Series no. 44. Canberra: Australian Institute of Health and Welfare.

AIHW Dental Statistics and Research Unit (2008). The National Survey of Adult Oral Health 2004–06: Victoria. Cat. no. DEN 181. Dental Statistics and Research Series no. 45. Canberra: Australian Institute of Health and Welfare.

AIHW Dental Statistics and Research Unit (2008). The National Survey of Adult Oral Health 2004–06: Western Australia. Cat. no. DEN 182. Dental Statistics and Research Series no. 46. Canberra: Australian Institute of Health and Welfare.

### AIHW Dental Statistics and Research Series (continued)

Brennan DS (2008). Oral health of adults in the public dental sector. Cat. no. DEN 192. Dental Statistics and Research Series no. 47. Canberra: Australian Institute of Health and Welfare.

Teusner DN, Chrisopoulos S and Spencer AJ (2008). Projected demand and supply for dental visits in Australia: analysis of the impact of changes in key inputs. Cat. no. DEN 171. Dental Statistics and Research Series no. 38. Canberra: Australian Institute of Health and Welfare.

### AIHW DSRU Research Reports

AIHW DSRU (2008). Dentist labour force in Australia, 2005: research report No. 33. Adelaide: AIHW. [DEN 172]

AIHW DSRU (2008). Dental hygienist labour force in Australia, 2005: research report No. 34. Adelaide: AIHW. [DEN 173]

AIHW DSRU (2008). Dental therapist labour force in Australia, 2005: research report No. 35. Adelaide: AIHW. [DEN 174]

AIHW DSRU (2008). Oral health of adult public dental patients: research report No. 36. Adelaide: AIHW. [DEN 183]

AIHW DSRU (2008). Dental prosthetist labour force in Australia, 2005: research report No. 37. Adelaide: AIHW. [DEN 184]

AIHW DSRU (2008). Patterns of tooth loss in the Australian population: research report No. 38. Adelaide: AIHW. [DEN 185]

AIHW DSRU (2008). Oral health and access to dental care by cardholder and insurance group: research report No. 39. Adelaide: AIHW. [DEN 186]

AIHW DSRU (2008). Dental practice activity by geographic location: research report No. 40. Adelaide: AIHW. [DEN 187]

AIHW DSRU (2008). Projected demand for dental care to 2020: research report No. 42. Adelaide: AIHW. [DEN 190]

AIHW DSRU (2008). Dentist labour force projections, 2005–2020: research report No. 43. Adelaide: AIHW. [DEN 189]

### ARCPHO Published Papers

#### DATA WATCH:

ARCPHO, Kapellas K and Slade GD (2008). The relationship between diabetes and oral health among Australian adults. *Aust Dent J (Data Watch)* 53(1): 93–6.

ARCPHO, Armfield JM (2008). The benefits of water fluoridation across areas of differing socio-economic status. *Aust Dent J (Data Watch)* 53(2): 180–3.

ARCPHO, Chrisopoulos S and Teusner DN (2008). Dentist labour force projections 2005 to 2020: the impact of new regional dental schools. *Aust Dent J (Data Watch)* 53(3): 292–6.

ARCPHO, Roberts-Thomson KF and Slade GD (2008). Factors associated with infrequent dental attendance in the Australian population. *Aust Dent J (Data Watch)* 53(4): 358–62.

#### JOURNAL ARTICLES:

Armfield JM (2008). An experimental study of the role of vulnerability related perceptions in spider fear: Comparing an imaginal and in vivo encounter. *J Anxiety Disord* 22: 222–32.

Armfield JM, Slade GD and Spencer AJ (2008). Cognitive vulnerability and dental fear. *BMC Oral Health* 8: 2.

Armfield JM (2008). A preliminary investigation of the relationship of dental fear to other specific fears, general fearfulness, disgust sensitivity and harm sensitivity. *Community Dent Oral Epidemiol* 36(2): 128–36.

Armfield JM and Spencer AJ (2008). Quarter of a century of change: caries experience in Australian children, 1997–2002. *Aust Dent J* 53(2): 151–9.

Brennan DS, Luzzi L and Roberts-Thomson KF (2008). Dental service patterns among private and public patients in Australia. *BMC Health Services Research* 8: 1.
